Annual Report
Analysis
FY 2023-24 vs
2024-25

DEFENCE PRODUCTION VALUE (2023-24) vs (2024-25) (in Cr.)

While DPSUs continue to lead India's defence production value, Private Sector Contribution is growing at a faster relative pace, narrowing the gap with New DPSUs - a trend worth watching as indigenisation and private participation policies mature.
